The minimum rental rate corresponds with the rental rate for 10 hours. If the rental period exceeds 10 hours, the rent for each commenced hour of extension corresponds with 1/10 of the "10-hour rental rate".

The rent includes basic seating, air conditioning, cleaning once per day and the general lighting (excluding stage lighting). Additional services and changes in the furnishings / equipment of the rooms (such as the installation or removal of furniture) are invoiced separately. Rehearsals and set-up or breakdown days for the tenant are invoiced at 50 % of the rental rate. Personnel expenses for set-up, operation and breakdown of the technical equipment during rehearsals and the event are invoiced on the basis of the amount of time they involve, in any case a minimum of 4 hours.

All function space is air-conditioned. The capacity chart reflexes the maximum capacities of each room per seating style. The legally required VAT is not included in the specified prices.
